But it is doubtful whether the present Scale proposed would in any way be more stagnation and discontent among the Staff. The better solution would be to once for all dispose this question by an attempt to post all ministerial appointments on a progressive Scale although the proposals would involve a little extra Cost to Govt.

Final Note by the Third Member of Council.

Subject:— REVISION OF THE ESTABLISHMENT OF THE GOVERNMENT STATIONERY DEPOT.

The Superintendent, Government Stationery Depot, reports that, in the existing scales of pay of the officials in his office, there is, in some cases, much difference of pay between official and official involving, as it does, big jumps being given when promotion are ordered. He therefore considers that a re-adjustment in the scales of pay obtaining in his office should be made and has submitted the following proposals for the revision of the said establishment keeping the present number of officials intact.

(i) To change the pay of the Supervisor from Rs.100 to Rs.75-5-100.

(ii) To reduce the pay of the Store-keeper from Rs.67 to 65, the present incumbent who is now drawing a pay of Rs.67 being given a personal allowance of Rs.2 so long as he continues in that post.

(iii) To increase the pay of the Accountant and Clerk from Rs.40 and Rs.35 to Rs.45 and Rs.40 respectively, the designation of the latter being changed to Assistant Store-keeper.

(iv) To convert the post of one of the clerks on Rs.25 to that of a packer on Rs.20 and

(v) To effect certain changes in the designation of the officials.

The above proposals are embodied in the proposition statement in the file which has been verified by the Comptroller and result in a saving of Rs.15 per annum.

Office of the Superintendent,
Government Stationery Depot,
Dated Bangalore, 20th January 1928.

P&S 41-27-1

From

B. Puttaiya, Esq., B. A.,
Superintendent of Stationery,
Bangalore.

To

R. Ranga Rao, Esq., B. A., B. L.,
General Secretary to Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honor to submit the following proposals for the readjustment in the scales of pay of the several officials of the Stationery Depot involving no extra cost to Government.

It will be seen from the proposition Statement enclosed that in the existing scale the following wide gulfs exist in pay, involving big jumps in promotion.

1. Taking the scale in the ascending order, there is a difference of Rs. 8/- between a Packer on Rs. 17/- and a clerk on Rs. 25/- who is above him so that a Packer will have to be promoted as clerk with a disproportionate promotion.

2. The difference between the pay of the Accountant and that of the Head Accountant is Rs. 15/- so that an

Accountant drawing Rs. 40/- will have to be promoted as Head Accountant on Rs. 55/- the promotion being too high.

3. Between the pay of the Head Accountant and that of the Store Keeper, the difference is Rs. 12/- which is also high for a promotion.

4. Lastly, there is such a vast difference of Rs. 33/- between the pay of the Store Keeper and that of the Supervisor which are Rs. 67/- and Rs. 100/- respectively.

3 From the above instances, it is quite clear that the gradations of pay of the several appointments cited above are not even and uniform and involve unusually high jumps which are not conducive to a healthy balance of scale and efficient flow of promotion.

4. I therefore beg to propose the scale of pay noted in the Proposition Statement under the heading "Proposed Scale". It will be seen therefrom that I propose to bridge the gulf between the Packer on Rs. 17/- and the clerk on Rs. 25/- by the institution of a Packer on Rs. 20/- and doing away with a clerk on Rs. 25/- as there are too many clerks on Rs. 25/-. Next, an increase of Rs. 5/- to the Accountant's pay is proposed which will reduce the difference between the pay of the Head Accountant and that of the Accountant to Rs. 10/- instead of Rs. 15/- as in the existing scale. The pay of the Store Keeper is proposed to be reduced by Rs. 2/- to Rs. 65/- so that there may be a uniform difference of Rs. 10/- between the pay of the Head Accountant and that of the Store Keeper. The present incumbent who is shortly to retire will be given a personal allowance of Rs. 2/- which will be eventually saved to Government. Similarly, to keep up the uniformity of the difference of Rs. 10/-, I propose to make the pay of the Supervisor a graded one starting from Rs. 75/- and reaching Rs. 100/- with an increment of Rs. 5/- per annum. This

This will not only bridge the tremendous gulf of Rs. 33/- that exists between the pay of the Store Keeper and that of the Supervisor but will also give a grade and prospective promotion to the Supervisor, which are better incentives than a mere big promotion and a blank prospect thereafter.

5) I am enabled to effect these adjustments consequent on the retirement of the present Supervisor ordered in Government Order No. G. 6262-3/ P. & S. 29-27-2 dated 3rd December 1927.

6) My proposals do not involve any change in the ~~member~~ number of hands in the Stationery Depot nor involve any extra cost to Government: On the other hand, a saving of Rs. 1¼ per mensem immediately or Rs. 3¼ per mensem eventually, is effected as shown in the Proposition Statement. I have proposed a few changes in the designations of certain officials to be in keeping with the work that is now being done in the Depot. One of the clerks is proposed to be designated as Assistant Store Keeper, another as Indent Clerk, a third as Typist and a fourth as Record Keeper while one of the clerkships on Rs. 25/- is converted into that of a Packer on account of the heavy packing work which requires the services of a reliable Packer on a decent pay.

7) I beg that these proposals may be kindly sanctioned at a very early date to take effect from 3rd December 1927 which is the date of retirement of the Supervisor.

I have the honor to be,

Sir,

our most obedient servant,

B. Chintaing

Superintendent.
